Cut (7) 6½" x WOF strips (for outer border)

BLOCK ASSEMBLY:

Note: Sew all pieces with right sides together and raw edges even. Use a ¼" seam allowance throughout.

Sew on the drawn line, trim ¼" away from the line, then press the triangle open. Noting orientation of the line, repeat on the other end. Make a second, mirror image unit using an identical cutie piece with the drawn lines in the opposite directions. Sew these units together to make one 5½" x 5½" chevron unit.

2. Repeat step 1 to make a total of 26 chevron units.
